- Indoor Air Quality
- Refrigeration
- Network/ Communication Install

FREE Furnace Safety Check!

As we do every year, we're offering a free furnace safety check for new customers! We will do a visual inspection of the furnace, test for any carbon monoxide leaking, and let you know if we see anything of concern. We have found too many instances where people were hurt or could have been without a usually simple fix in their furnace, so we have decided to offer this free service each year.

Some Tips for the Cold

Can you believe how cold it has been? Have you thought about how that may be affecting your heating system? The good news is you don't have to (we can do it for you)! But if you'd like some pointers/tips, here they are:

1. If you have a heat pump, make sure there is no ice forming on it, or it will not work properly. But do not fear, your backup heat will kick on if the heat pump fails.
2. If you have a heat pump, remember it will only work down to about 20°-25°, then your back up heat will run.
3. Please please please make sure your propane tank is full if you are on LP. Running out in this cold is dangerous to you and could be a disaster for your house.
4. Check the batteries in your thermostat.
5. Check your filter to make sure it's not dirty. If you cannot see light through it, it needs changed. And remember pleated is always better.

If you run into any problems, give us a call, 24/7. We'll be glad to see if we can help you over the phone, or send someone to your house if necessary.

Effective January 1, 2014, there will be a 2.5% credit card convenience fee.

Let It Snow, Let It Snow, Let It Snow!

Wow! We have already had quite the year for snow and it looks like there's more to come. We have partnered with BAM Chase to help you receive up-to-date and accurate weather information. Please visit Beeson Mechanical Service on Facebook and you'll see all the weather-related information from BAM. And don't forget to call/email/message us if you need your driveway, parking lot, or sidewalks plowed or salted. We'd be happy to take care of you!

Happy New Year!

Giving $ to Charity

What if I told you we would give $ to charity just for you talking about us?

If you visit our website at www.BeesonCo.com and choose the "Give Back Thru Feedback", we will donate to the charity of your choice simply for giving your testimonial.

Kaden & Keelan Update

Kaden & Keelan had a great time celebrating Jesus' birthday! They had lots of fun gifts. The themes were Teenage Mutant Ninja Turtles for Kaden and Mickey Mouse for Keelan (their favorites!). They are also very excited to introduce baby #3 into the family in July!

Our commitment at Beeson Mechanical Service is to provide you the best service at competitive rates. Our slogan is "We Charge The Price We'd Charge Our Moms". We try our best and if there are ever problems, we take care of them to the best of our abilities! Please keep this in mind when you have service you need completed or if you're able to refer us to friends or family!
