WE CHARGE

WHAT WE'D CHARGE OUR

MOMS! WE WON'T STING YOU!™

Are You Happy With Us?

If you're happy with any service we've performed in the past for you, we'd love for you to share that with your friends and family. Once they call us and we perform a service call for their residence or place of business, we will send you a “thank you” coupon. Referrals are how our business keeps going strong all these years and that's how we intend to continue!

Coleman HVAC Equipment Clarification

In the last newsletter, we announced we are now installing Coleman equipment. Please understand that this equipment is identical to the York equipment, which we also still carry. Due to demand from our customers, we need multiple suppliers. We need the equipment available when our customers need it!

If we have installed a system for you any time in the past, we continue to honor all warranties as you should expect. For you, nothing has changed. Because York and Coleman are different brands from the same manufacturer, we easily process warranties for either brand.

Happy 4th of July! Thanks to
All Who Have Served!

The Johnson County Fair is Here!

The time has come once again for the Johnson County 4-H and Agricultural Fair. It begins Sunday, July 14th and will finish Saturday, July 20th. Please come out and visit us at our booth for games, door prizes, and giveaways! It will be fun for everyone in the family. As always, we will have

air conditioning so stop by to relax and soak up the air! Our theme will be Christmas in July and we will have lots of activities! Our booth will be located in the same spot, at the south end of the east Midway road, near the ice tent and Scott Hall. Hope to see you there!

Giving \$ to Charity

What if I told you we would give \$ to charity just for you talking about us?

If you visit our website at www.BeesonCo.com and choose the "Give Back Thru Feedback", we will donate to the charity of your choice simply for giving your testimonial.

Kaden & Keelan Update

Kaden will be in kindergarten shortly! He enjoyed his pre-k graduation in May and will miss it dearly, but is looking forward to new adventures. He attended vacation Bible school and had a blast so far this summer! Keelan is now walking, eating with a fork, and drinking through a straw. Of course mommy and daddy would be happier if he decided not to do it all within one week!

Our commitment at Beeson Mechanical Service is to provide you the best service at competitive rates. Our slogan is "We Charge The Price We'd Charge Our Moms". We try our best and if there are ever problems, we take care of them to the best of our abilities! Please keep this in mind when you have service you need completed or if you're able to refer us to friends or family!
